Made of fruits, herbs and spices from Eminence Organics, a thorough cleansing, exfoliation, masque and soothing facial massage performed by a trained aesthetician will make your skin shimmer and glow. The facial's ingredients will change with the season, to provide you with the freshest potion possible.

Clear Skin Facial

60 minutes . . . \$95

Let Mother Nature help cleanse and refine your complexion with healing, antibacterial elements such as Hungarian mud, sour cherries and more, custom blended for those with acne-prone or reactive skin. You'll leave feeling refreshed and clear; take home specially designed products and instructions to further treat blemishes.

Janus Anti-Aging Facial

60 minutes . . . \$95

Named for the god of new beginnings, this treatment addresses the skin's loss of elasticity and environmental damages. Loaded with potent organic vitamins and rich plant greens, your skin will be lifted, toned and rebalanced. You'll feel revitalized, radiant and perhaps even ten years younger!

Sun & Moon Facial

90 minutes . . . \$130

Experience the warmth of the sun and the coolness of the moon – the natural acids of fresh apple and grape pulps blended with paprika and other warming herbs act as natural exfoliants and stimulating detoxifiers, while a chilled organic masque soothes your skin 'til it's glowing and luminous.

Bright Eyes Treatment

Add to any facial . . . \$25

Relax and destress as a raspberry, naseberry, cucumber and wild plum blend is used to gently exfoliate and stimulate your eye area, reducing puffiness and dark circles. A pressure point massage gently eases away any remaining signs of stress.

Full-fill Lip Treatment

Add to any facial . . . \$25

We'll exfoliate, hydrate and plump your lips using natural peptides and hawthorn berries that aid in building collagen and filling in fine lines.

SOAKING POOLS

Slip into the soothing waves and ripples of our soaking pools as the perfect complement to your visit. Gently heated and open year-round, the pools are filled with chemical-free saltwater that is more buoyant and "soft" than chlorinated water. The Grand Lodge soaking pool, open to the general public, is an oasis surrounded by natural rock formations and lush green flora. And at Edgefield, the winding, freeform pool in private surrounds behind the spa inspires calm and relaxation for hotel and spa guests.

Bathing suits are required; locker rooms are provided. Guests must be 18 years old or must be accompanied by an adult.

After your treatment at Edgefield, stop by the tiny Tea House Bar for a bite to eat and drink – perhaps a freshly brewed pot of loose-leaf tea or a tea-infused cocktail? And at the Grand Lodge, stroll down the hall to Bob's Bar to choose something off the extensive regional wine list.
